

HOME & SCHOOL ORGANIZATIONS/ASSOCIATION

Each of the six schools in the district has a very active Home and School organization. These volunteer organizations work in conjunction with the formal school structure to support the schools' instructional programs and provide enrichment activities that enhance the overall educational experience of our students.

Additionally, the HSO/HSA Executive Committee, which is comprised of the officers of the schools' parent organizations, meets monthly throughout the school year with representatives from the Board of Education and Superintendent of Schools. The purpose of the meetings is to share and discuss issues that are important to the individual schools as well as the district as a whole.
